Advanced Minimally Invasive Neck and Back Care

If you suffer from back or neck pain, wouldn't you want to know there are other options than radical open back surgery to relieve your pain? Don't you want to find a way to get rid of your pain, reduce your stay in the hospital and recovery time at home? We have advanced technology on an out patient surgery basis available at Advanced Spine Institute. Think about it: with our surgery techniques, you could be back on your feet in less than a week.

Patients' Choice Awards

Given to only the most prestigious surgeons and doctors, this annual award has been bestowed upon Robert Jones, MD, PhD the last two years. Thus, his rapport with patients is excellent, generating a 100% positive review rating.

Customer Service

Exceptional service is our #1 commitment. When you contact us, we will be in touch with you within 24 hours. Other orthopedic centers can leave you hanging for days before they get around to a reply. However, we believe that everyone deserves our immediate attention.
